Introduction

ReviveDecor *Mallorca*

REVITALIZE YOUR SPACES AND FURNISHINGS

With ReviveDecor Mallorca, you can quickly give your spaces and furniture a new look.

Our high-quality self-adhesive wall and furniture films offer versatility, creativity, and quality at an unbeatable price-performance ratio.

Rediscovering Furniture Films.

Modern und individual:

In a world characterized by change and self-realization, we offer virtually limitless possibilities for exceptional projects. Our films allow you and your customers to quickly transform surfaces.

Fast Changes:

You can redesign your commercial spaces, your home, or your office in no time when your taste or design requirements change.

Cost-effective & straightforward:

With our self-adhesive and easy-to-handle furniture films, you can inexpensively and effortlessly transform cabinets, lamps, chairs, doors, kitchen units, or entire walls into something entirely new.

Haptic Transformation:

Our films not only enable visual changes but also a tactile transformation of your furniture – from stone to wood, glitter, leather, matte, or gloss.

Transform your spaces into unique, personal areas.

Why Wrapping Instead of Renovating?

The Eco-Friendly Advantage

Our sustainable films allow for resource conservation, as no new furniture or surfaces need to be manufactured. By reusing and enhancing existing materials, we contribute to minimizing environmental impact.

Time and Cost Savings

With ReviveDecor, you can complete renovation projects in no time, without the need for extensive preparations, mess, or long drying times. The films are more cost-effective than purchasing new furniture or surfaces, enabling you to implement your project quickly and efficiently.

No Mess & No Noise

Unlike traditional renovation work, using our films causes no inconveniences like dirt, dust, or noise.

Versatility & Flexibility

A wide range of decors and surface textures to choose from. Our films can be applied to curved surfaces, which often restricts traditional renovation work.

Up to 10 Years Manufacturer Warranty

Our products are of the highest quality, which is why our manufacturers offer you a warranty of up to 10 years.

We take pride in the durability and resilience of our films to ensure that your investment lasts in the long run.

Possibilities – What Can Be Wrapped?

Furniture:

Cabinets, shelves, chairs, tables, beds, and more.

Doors and Door Frames:

Adapt your old doors and door frames to your new desired design.

Window Frames:

Instead of ordering expensive custom colors for built-in windows, you can effortlessly refresh windows and window frames with our films.

Walls:

Painted wall surfaces, as well as concrete and tiles.

Facades:

Calendared vinyl film for outdoor use with a polymer adhesive with air channels.

Tiles:

With our films, you can easily and affordably transform your bathroom or kitchen tiles.

Possibilities – What Can Be Wrapped?

Electrical Appliances:

Refrigerators, washing machines, dryers, microwaves, and more.

Glass Facades:

Bird Protection Film

Subtle for humans - effective for birds.

Window and Glass Walls:

Privacy Film: The transparent film darkens screens outward and ensures privacy in the room.

Color Palette*

More than 150 different Decors:

Our extensive selection of designs and surface textures allows you to quickly and easily bring your creative interior ideas to life without the need to purchase new furniture.

9 Categories in various Variations:

Our furniture films are divided into 9 categories, including stone-look, concrete-look, leather-look, textile-look, marble-look, glitter-look, color-look, metal-look, and wood-look.

* For more information about our various products, please refer to our accompanying brochures. For any further questions, please contact us directly.

WHY
